Learn more about how to promote and support the arts in Texas by visiting ArtCanTexas.org

**ART CAN FUEL THE ECONOMY**
The Texas Arts and Culture Industry creates jobs, generates significant tax revenue, boosts tourism, attracts business, and revitalizes communities.

**ART CAN IMPROVE EDUCATION**
Arts education improves academic performance, prepares the 21st century workforce, develops SEL skills, promotes positive behaviors, and increases civic engagement.

**ART CAN IMPROVE HEALTH AND WELL-BEING**
The arts enhance overall physical, mental, and emotional health, encouraging healthy behaviors, reducing stress, and increasing social interactions.
